MCM'S DOUBLE ACT AT MORE LONDON

## TRIUMPH

Steel furniture manufacturer Triumph has recently completed a major storage overhaul for IPC Media Ltd's relocation to its new signature headquarters in Blue Fin Building, on London's South Bank. Working closely with the project designers Bennett Interior Design, Triumph produced not only the full range of regular storage units, but also originated and developed a series of specific new products needed for IPC's particular storage purposes. The final programme called for the supply of approximately 3,200 cupboards, 3,100 pedestals, 1,000 bays of special storage racking and 50 custom-designed flat planning units.
